

## copernicium

Stable isotope	Atomic mass	Mole fraction
(none)		

### Half-life of radioactive isotope

Less than 1 second   
 Between 1 second and 1 hour   
 Greater than 1 hour 

<sup>277</sup> Cn	<sup>278</sup> Cn	<sup>279</sup> Cn	<sup>280</sup> Cn	<sup>282</sup> Cn	<sup>283</sup> Cn	<sup>284</sup> Cn	<sup>285</sup> Cn
							

### Important applications of stable and/or radioactive isotopes

Applications: Copernicium has no known isotopic applications aside from scientific research.
